

Shake Me

Cinderella

Alright, yea
I met this girl around quarter to ten
We made it once, she said "Make me again."
She wrapped her love around me all night long
In the mornin' we were still goin' strong

Now let me tell ya, it sure feels good
First time I saw that girl I knew it would
Now let me tell ya, it sure felt right
No pullin' teeth, she didn't want to fight, she said

Shake me, all night, she said
Shake me, shake it, don't break it baby
Shake me, all night, she said
All night long
All night long baby

Screamed and scratched and rolled out of the bed
I never really got her out of my head
And now and then she makes those social calls
Gives me a squeeze, gets me kickin' the walls

Now let me tell ya, it still feels tight
And we were shakin' after every bite
I feel her comin' in the middle of the night
Screamin' higher

Shake me, all night, she said
Shake me, shake it, don't break it baby
Shake me, all night, she said
Shake me, ooo yea

All night, keep the fire burnin', cause we're doin' all right
All night, come on and shake it right

Shake me
Shake me
Shake me
Shake me

Shake me all night, she said
Shake me, shake it, don't break it baby
Shake me, all night, she said
Shake me, ooo yea

Shake me
Shake me, yea
Shake me
Ooo come on baby baby
Shake me
Shake me
