Can You Hear Me

Can you hear me Luke 22:39-46, Matthew 27: 19-26 Hey can You hear Me Are You really out there Oh I am trapped in the cages Of the scars I must bear And I can't tell and I can't speak I can't even repeat what it is Hey can You see Me See these hollowing eyes Don't You think something is missing In My calm peaceful smile But I can't tell and I can't speak I can't even repeat what is

Can You hear me Hear the sound of My pain Can You hear Me Hear the words I don't say Hey what's your problem Cant you hear what I said I am here drowning in sorrow While you sleep on your beds And I can't tell and I can't speak I can't even repeat what it is, oh Bridge: I get down on My knees And I cry to You Oh Lord give me all Your strength Help Me make it through I reach out to You Oh can You hear Me, hear Me, yeah Hey can You hear Me Someone whispered to Me I understand all Your hurting How You ache how You bleed But the scars that You bear Will one day make the whole world free Satan is a liar down in the mire But I can hear You I hear the sound of Your pain I can hear You oh yeah I hear the words You don't say I can hear You, hear You I can hear You, can You hear Me? Can You hear Me?
