

# Higher

Cindy Morgan

Dark day crowning  
Screaming, chanting  
Sounding in My ear  
Pounding, driving  
Ringing, stinging  
Take My thoughts away  
To a brighter place

Chorus:

Higher, higher  
Than the pain that I feel  
Take Me  
Higher, higher  
Let Your holy love reveal  
And plunge Me  
Deeper, deeper  
Than these nails can drive Me  
Take Me

Higher, higher, Father  
Children laughing  
And Lepers healing  
In the waters of sweet forgiveness  
Jordon, Galilee  
The lame are walking  
By the shining sea  
Oh take Me

Chorus:

Higher, higher  
Than the pain that I feel  
Lift Me  
Higher, higher  
Let Your holy love reveal  
And plunge Me  
Deeper, oh deeper  
Than these nails can drive Me  
Take Me

Higher, higher,  
Father And plunge Me deeper, oh deeper  
Than these nails can drive Me  
Take Me higher, higher  
Can You hear me, hear the sound of My pain  
Can You hear Me I can hear You
