

# Love Is The Answer

Cindy Morgan

Name your price, I'll take you to paradise  
I can't stay here any more  
And I've looked high and low  
I've been from shore to shore to shore  
If there's a short cut I'd have found it  
But there's no easy way around it  
Light of the world, shine on me, love is the answer  
Shine on us all, set us free, love is the answer  
Who knows why someday we all must die  
We're all homeless boys and girls  
And we are never heard  
It's such a lonely, lonely, lonely, lonely world  
People turn their heads and walk on by  
Well, tell me, is it worth just another try?  
Light of the world, shine on me, love is the answer  
Shine on us all, set us free, love is the answer  
Tell me, are we alive, or just a dying planet?  
What are the chances?  
Ask the man in your heart for the answers  
And when you feel afraid, love one another  
When you've lost your way, love one another  
And when you're all alone, love one another  
When you're far from home, love one another  
When you're down and out, love one another  
When your hope's run out, love one another  
When you need a friend, love one another  
When you're near the end, love, we got to love  
We got to love one another  
Light of the world, shine on me, love is the answer  
Shine on us all, set us free, love is the answer
