

# Miracle In The Making

Cindy Morgan

He kept on living his life over and over  
The same regrets everyday of the year  
He said "I know I can't go back  
but I can't move forward"  
There's too much pain that's holding me here  
I can tell by the look in your eyes you don't think  
your worth the time  
I guess the bad stuff is easier to hear  
after a while  
All this time you're taken  
but love will bring your heart back around  
Haven't been forsaken  
Caught before your feet hit the ground(yeah)  
Don't be deceived, don't let your faith be shaken  
Cause it's plain to me  
Yeah it's plain to see  
That you're a miracle in the making  
On the edge of a dream  
and a stones throw from sorrow  
Come from flames to ashes  
Ashes to tears  
But when the dam finally breaks  
and the mirror crashes  
There is peace after all of these years  
I can tell by the look in your eyes  
you don't see the way from here  
But you know Jesus is faith and He's  
Hope, and he's love, and he's here

Cast all your cares all your doubts  
on his shoulders  
He'll hold you close till the  
midnight is over  
Repeat Chorus
