

The Last Supper

Cindy Morgan

This is the body that was broken
Take and eat
This is the blood shed for many
Take and drink - amen
And it will cover you
And make you new - oh Jerusalem
Chorus:
I know we'll be together
Someday again
Oh how I'll miss these moments
With you my friends
I know we'll be together eternally
And I will be there waiting - come home to Me
Come home to Me
This is the body that was broken
(Broken for us all)
Take and eat
This is the blood shed for many
Take and drink - amen
And when darkness comes
Reach for Me oh Israel, oh Israel
(chorus)
Come home to Me
