

The Loving Kind

Cindy Morgan

Happy as a little child yeah
Walking by the Shepherd's side oh
How I know You
How You know me
Your words are like peace and truth
Like flowers kissed by morning dew yeah
How I know You
And how You know me oh Lord

I don't know why You love me
Oh Lord it's such a mystery
All I can say
All I can find
You're the loving kind
The loving kind
When I fall and when I stray
Your love it captures me always
All I can see all I can find - You're the loving kind, the lovi
ng kind
Sitting in a courtyard still
They all come marching for the kill
They don't know You
But how I know You
I got scared I ran away
The rooster crowed my faith it swayed
How I know You
But I denied You oh Lord

Lord I believe in You
Though I have deceived You
Thank God that forgiveness is reigning again
Thank God that forgiveness is reigning again
I don't know why You love me like You do
All I know is You're the loving kind, the loving kind
