Blasphemy

Cinema Bizarre

God is dead When someone fills your heart instead Your soul's on fire all your needs How can they call it blasphemy

Love is nature So you're praying for salvation For the hearts to understand

That is you My new religion is you They say this love is blasphemy It is blasphemy-It is blasphemy But my new religion is you

Faith is crime When all you love is one the line Your script's bleeding Incomplete and blamed for immorality

Love is nature So you're braking with tradition In this godforsaken land

That is you My new religion is you They say this love is blasphemy It is blasphemy-It is blasphemy But my new religion is you That is you

Blasphemy-god is dead-blasphemy

That is you My new religion is you They say this love is blasphemy It is blasphemy-It is blasphemy But my new religion is you That is you
