

# The Way We Are

Cinema Bizarre

We have been told  
There's only one way to go  
But we live different lives  
Dreams to unfold  
Like a kaleidoscope  
Reflecting hundred skies

No hiding  
No faking  
This life cause it's amazing  
You want it  
You need it  
Beware! It's so contagious

Call it strange  
This is the way we are  
For beyond your dreams  
Break your chains  
Open your mind for more  
See what it's like to be  
The way we are  
The way we are

We are so high  
We dance on the edge of the sky  
Where no one dares to go  
Flashes of light  
Tell us the time is right  
To blow your mind once more

No hiding  
No faking  
This life cause it's amazing  
You want it  
You need it  
Beware! It's so contagious

Call it strange  
This is the way we are  
For beyond your dreams  
Break your chains  
Open your mind for more  
See what it's like to be  
The way we are  
The way we are

No hiding  
No faking  
This life cause it's amazing

Call it strange  
This is the way we are  
For beyond your dreams  
Break your chains  
Open your mind for more  
See what it's like to be  
The way we are

No hiding  
No faking  
This life cause it's amazing  
The way we are
