The Way We Are

Cinema Bizarre

We have been told There's only one way to go But we live different lifes Dreams to unfold Like a kaleidoscope Reflecting hundred skies No hiding No faking This life cause it's amazing You want it You need it Beware! It's so contagious Call it strange This is the way we are For beyond your dreams Break your chains Open your mind for more See what it's like to be The way we are The way we are We are so high We dance on the edge of the sky Where no one dares to go Flashes of light Tell us the time is right To blow your mind once more No hiding No faking This life cause it's amazing You want it You need it Beware! It's so contagious Call it strange This is the way we are For beyond your dreams Break your chains Open your mind for more See what it's like to be The way we are The way we are No hiding No faking This life cause it's amazing Call it strange This is the way we are For beyond your dreams Break your chains Open your mind for more See what it's like to be
