

# You Told Me You Loved Me

Cinematic Sunrise

You said you loved me  
More than anyone else could ever know  
But now you're leaving  
Can't we just try to work this out  
And I've never been one to brag

The nights get lonely  
And all I have left is a memory of you  
I tried to say this  
But now there's nothing left for me to do  
And I've never been one to brag

Please don't go, just stay  
I watched with tears in my eyes as you walked away  
Miss your voice, and your touch  
And if I told you I loved you could that be enough?

An awkward silence  
It's been too long since I've heard from you  
And I lay sleepless  
Knowing that my heart still belongs to you  
And I've never been one to brag

Please don't go, just stay  
I watched with tears in my eyes as you walked away  
Miss your voice, and your touch  
And if I told you I loved you could that be enough?

Please don't go, just stay  
I watched with tears in my eyes as you walked away  
Miss your voice, and your touch  
And if I told you I loved you could that be enough?

And tonight I'll stay home and miss you more than you'll ever know
