

The Lottery

Circa Survive

It happened all in the passing of light
We won't see it coming
I know that we'll all lose in time
But my mind won't stop running

Blame it on the air that you breathe
Well I can't see how anything's nursed on disease
Nothing is clean in this place
Our only hope is cutting off the nose to spite the face

Who'll take the lottery?
Don't look away
We're the unlucky ones
I won't let it tear us apart!
Who'll take the lottery?
Don't look away
We're the unlucky ones
I won't let it take you

This intrusion's a functioning curse
Break the thumb and the whole hand will hurt
It's not like moving backwards in time
It happened all in the passing of light

Blame it on the air that you breathe
Well I can't see how anything's nursed on disease
Nothing is clean in this place
Our only hope is cutting off the nose to spite the face

Who'll take the lottery?
We're the unlucky ones
I won't let it tear us apart

Who'll take the lottery?
Don't look away
We're the unlucky ones
I won't let it take you
Who'll take the lottery?
Don't look away
We're the unlucky ones
I won't let it take you
