

15 Minutes

Circle Jerks

The tragic story of a young boy and his one night stand
There's a lesson to be learned
don't let this happen to you

You got it
Got it good
Got your twenty-four symptom
Just a little
Just for fifteen minutes
I want a little

15 minutes of fun, pleasure
Now you're gonna go insane
And a trip, trip
Down to the free clinic

[Repeat: x7]
Okay

[Repeat: x3]
That's beautiful

All right
You got it good
Fifteen minutes
