

## 15 Minutes

### Circle Jerks

The tragic story of a young boy and his one night stand  
There's a lesson to be learned  
don't let this happen to you

You got it  
Got it good  
Got your twenty-four symptom  
Just a little  
Just for fifteen minutes  
I want a little

15 minutes of fun, pleasure  
Now you're gonna go insane  
And a trip, trip  
Down to the free clinic

[Repeat: x7]  
Okay

[Repeat: x3]  
That's beautiful

All right  
You got it good  
Fifteen minutes
