The tragic story of a young boy and his one night stand There's a lesson to be learned don't let this happen to you

Got it good
Got your twenty-four symptom
Just a little
Just for fifteen minutes
I want a little

15 minutes of fun, pleasure Now you're gonna go insane And a trip, trip Down to the free clinic

[Repeat: x7]
Okay

[Repeat: x3]
That's beautiful

All right
You got it good
Fifteen minutes
