

# Deny Everything

Circle Jerks

I'm innocent  
Until I'm proven guilty  
Deny everything,  
Deny everything  
I'm being framed  
It's all a set-up  
Deny everything,  
Deny everything

I'm just a spook in the wheel  
Just a part of the puzzle  
A part of the game  
I'm being framed

Innocent  
Until I'm proven guilty  
Deny everything  
Deny everything  
Deny everything  
Deny everything
