

# Parade of the Horribles

Circle Jerks

Dark warnings fill the air  
Some conform, others spell the

Parade of the horrors  
Parade of the horrors  
Parade of the horrors  
And you're life's just so fucking miserable

Something's screams' fill the skies  
Men spell ??

Parade of the horrors  
Parade of the horrors  
Parade of the horrors  
Just so fucking wonderful

The sea will overflow  
The seeds you plant will grow  
The livestock of ???  
The fresh water will distill

OVERTHROW!
