

## What's Your Problem

Circle Jerks

Girls hate guys  
because of the things we try  
guys hate girls  
because of the things they say  
behind our backs while we're away

tell me what's your problem?  
what's inside of you?  
tell me what's your problem?  
what you're gonna do?

I got a date  
I can't be late  
If she don't show up  
I'll masturbate
