

John Lennon

Citizen Cope

(La la la) (La la la) (La la la) Without you I'd be all alone
(La la la) Without you I'd be all alone

(La la la) Without you I'd be all alone
(La la la) Say without you I'd be all alone

(La la la) Without you I'd be all alone
(La la la) Say without you I'd be all alone

(La la la) Without you I'd be all alone (La la la)
Say without you I'd be all alone

(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone

I keep hearin'
That the end is nearin'
Every other week there's another villain

John Lennon tried to help stop the killin'
The sorry thing is that nobody listened

The city and country they divided
They pointin' their fingers
Their callin' each other liar

And it's ashame
Traded on Jesus' name

And since the ages of Abel and Cain
Pleasure and pain
Heroin and cocaine

The father's insane
The son is kinda strange

Self-inflicted shotgun blast to the face

These croked politicians
They ordering the killin' of
Of innocent civilians

They build another prison
For the children to fill them

(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la) Say without you I'd be all alone
(La la la)
