

Karma police, arrest this man  
He talks in maths  
He buzzes like a fridge  
He's like a detuned radio

Karma police, arrest this girl  
Her Hitler hairdo is  
Making me feel ill  
And we have crashed her party

This is what you get  
This is what you get  
This is what you get when you mess with us  
When you mess with us

Karma Police  
I've given all I can  
It's not enough  
I've given all I can  
But we're still on the payroll

This is what you get  
This is what you get  
This is what you get when you mess with us  
When you mess with us

And for a minute there, I lost myself, I lost myself  
Yeah for a minute there, I lost myself, I lost myself

And for a minute there, I lost myself, I lost myself  
And for a minute there, I lost myself, I lost myself
