Something to Believe In

Citizen Cope

They say that loving yourself
Is loving someone else
It's like you've always been right there
When I needed you

Standing in the night
Trying to get it right
Coz this here life will test you
Over and over and over again

You keep giving me
Something to believe in
And I keep giving all
'Cause the walls are falling down

You keep giving me
Something to believe in
And I keep giving all
'Cause the walls are falling down

'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down

Is it impossible to be learned?
Is it impossible to be taught?
'Cause everybody could be burned
And anybody could get caught

Standing in the night
Trying to get it right
Coz this here life will test you
Over and over and over again

You keep giving me
Something to believe in
And I keep giving all
'Cause the walls are falling down

You keep giving me
Something to believe in
And I keep giving all
'Cause the walls are falling down

'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling
