

## Theresa

Citizen Cope

This feeling  
Don't happen  
By yourself  
Alone  
Is no  
Way to live  
Breathing  
It don't happen  
By yourself  
Alone  
Is no  
Way to live  
We could love  
We can love  
One another  
We could love  
We can love  
One another  
We could love
