

Vacancy- room to let/any dumb ideas in to this empty head/"gospel, man!"-
don't quote me please/it was the first thing I thought/but now it's been said/
and you'll lead the conversations that lie ahead/by the empty phrases by
which you're led/do you know what i heard the other night?/guess wehat so -
and - so said to me/the majority of ears were only being polite /couldn't be
bothered to disagree/a social distance set/by a liking of something hard to
forget/a need to remember and recognise/and inspiration that over-rides/any
hesitation or compromise/not relying on dubious facts in disguise/what you
eagerly collect/and subsequently resurrect/from acquaintances and t.v. set/
falls on distant ears/but when you tell it like it is/from your own ideas and
what they give/we're all involved in the way you live/and the distance diss-
appears
