

How Does It Feel

Citizen

How does it feel
To be
All that you are
And all that you want to be
Is that what you want to be?

And how does it feel
To be
What you've become
What you said you would never be
'Cause I don't feel anything anymore

So, take me away

And how does it feel
To fit
Into the mold
To let go of what you know
Now that you're on your own

And how does it feel
To be
Just like your friends
To catch up on what you need
(I don't know this line)
And you still
Walk out alone

And you still walk out alone
And you still walk out alone
And you'll still walk out alone
And you'll still walk out alone
And you'll still walk out alone
(How's it feel to let go)
And you'll still walk out alone
(Of everything that you know)
And you'll still walk out alone
(How's it feel to let go)
And you'll still walk out alone
(Of everything that you know)
And you'll still walk out alone
(How's it feel to let go)
And you'll still walk out alone
(Of everything that you know)
