## Hello, I'm in Delaware

**City and Colour** 

So there goes my life Passing by with every exit sign It's been so long Sometimes I wonder how I will stay strong No sleep tonight I'll keep on driving these dark highway lines And as the moon fades One more night gone, only twenty more days

But I will see you again I will see you again a long time from now

And there goes my life Passing by with every departing flight And its been so hard So much time so far apart And she walks the night How many hearts will die tonight And will things have changed I guess I'll find out in seventeen days

But I will see you again I will see you again a long time from now

My body aches, and it hurts to sing, and no one is moving And I wish that I weren't here tonight, but this is my life

And I will see you again I will see you again a long time from now

And I will see you again I will see you again a long time from now
