

# How Come Your Arms Are Not Around Me

City and Colour

You could have the sun  
You could have the water  
This I'd give to you  
You could be the moon  
You could be the harbour  
I arrive to  
You could come over uninvited  
You said I'm the one  
The one to hold you  
Does that go for others too

No surprise (3x)

Yesterday around 4 AM  
I thought about you  
for a minute or two  
I know it's no good  
I feel so lonely  
Sleeping without you  
How come your arms are not around me  
I said i'm the one  
the one to hold you  
But I guess he said that too

No surprise (3x)
