

# Haven't Been Myself In A While

CIV

Haven't taken a walk with myself in a long time  
And sometimes I feel left out in the cold (out in the cold)  
Haven't had a talk with myself in a long long time (in such a long time)  
The days go by and I feel like I'm getting old, getting old

Haven't seen myself in awhile  
Haven't been myself in awhile  
Haven't seen myself in awhile  
Haven't been myself in awhile  
I wanna see myself  
I wanna be myself again

I got a feeling that things are not goin my way  
Do you feel left out in the cold?  
Yes I do and I feel so strange cause my life has changed it's a whole new  
Game to play  
I got the feeling I'm all alone on the highway  
Do you feel like you're all alone?  
Yes I do and I just can't pretend cause I'm not myself and I'm at my wit's  
End  
And I...

Haven't seen myself in awhile  
Haven't been myself in awhile  
Haven't seen myself in awhile  
Haven't been myself in awhile  
I gotta get back into it  
And find myself  
And be myself again  
I'm going insane  
I don't feel sane  
And I feel like I lost a friend

And I know that I'll find myself  
And be myself again  
And I know that I'll find myself  
I don't have far to go

And I know, after all this time the mistakes were mine  
And I know, and I know, and I know  
I'll be myself again  
I'm gonna see myself again

Haven't seen myself in awhile  
Haven't been myself in awhile  
Haven't seen myself in awhile  
Haven't been myself in awhile

Haven't seen myself in awhile  
Haven't been myself in awhile  
Haven't seen myself in awhile  
Haven't been myself in awhile
