

The Way You Lived

CKY

There's ten thousand reasons to survive
But you only needed one to die
It's too late to change what you've become
I won't always be this lonely

R: The way you lived your life, it mesmerizes me
Now won't you take some time to cast out your regrets
Why did you leave our lives? It mesmerizes me
So won't you take the time to cast out your regrets?

I hear a creaking through the door
I see you seeping through the floor
It's not easy, asking you to leave
Cuz you'll always be the only
