

In Massachusetts, only 30 minutes from Alewife  
I lay in my room  
Wonderin' why I've got this life  
I met you by surprise  
You were hangin' out all the time  
But you know you saved me from doin'  
Something to myself that night

You called me seven times  
One, two, three, four, on the line  
I didn't mean to scare you  
Just had the thoughts in my mind  
They showed up to my door  
My parents didn't know what for  
Swear I could've done it  
If you weren't there when I hit the floor

It's been so long  
And you've been my sister all along  
But you know I'll be alright  
Eighth grade was never that tight
