

# Feel Something

Clairo

Travelled so far on my own  
I don't know where I've gone  
And I don't wanna be alone  
When I am so far from my home

You wanna feel something  
But I don't feel nothing  
Trying so hard to  
Get over you

Wanna go back to the place where we started  
At the party, I see you, but you keep your guard up  
We could be something special if you wanted  
I'm afraid that if we tried to  
You would just give up (You would just give up)

You wanna feel something  
But I don't feel nothing  
Trying so hard to get over you  
You wanna feel something  
But I don't feel nothing  
Trying so hard to get over you

Do you wanna go away with me?  
Do you wanna go away with me?  
Do you wanna go away with me?  
Do you wanna go away with me?

You wanna feel something  
But I don't feel nothing  
Trying so hard to get over you  
You wanna feel something  
But I don't feel nothing  
Trying so hard to get over you
