

How

Clairo

How did I try to get you off my mind?
How did I try to get you off my mind?
Could this be the end?
Of you and I for now
Hope that I see you soon
Don't know what I would do

My heart is under the weather
I know that I'm the only one who can heal it
I'm on my own
I'm on my own
I'm on my own
I'm on my own
I try to beat the struggle for you
That's just too hard for anyone to do
