

# Impossible

Clairo

How are you feeling?  
How are you doing?  
I'm sorry, I just wanted to hear your voice, so clear  
What are you thinking?  
Am I a nuisance?  
It's so strange to talk after all these years

What does it mean, and  
It's so confusing  
All my old feelings coming back to me  
When was the last time  
I saw your face?  
Know it like the back of my hand, I'd say  
And you know I'm not dumb anymore  
I picked up the books you threw to the floor  
Put them back on the shelf  
Don't you see how much I want your help?

And I know we're not the same as we were  
Used to be falling hard, but now it just hurts  
Me so bad  
And you know that I can't hold back  
All of these worries that I've had  
'Bout you

And I know  
That it's time  
To forget how I'm feeling, don't want to give in  
But I know  
Know that it's right  
To listen to my breathing and start believing myself  
And I know  
That it's time  
To forget how I'm feeling, don't want to give in  
But I know  
Know that it's right  
To listen to my breathing and start believing myself

Woah, myself  
Myself

And I know we're not the same as we were  
Used to be falling hard, but now it just hurts  
Me so bad  
And you know that I can't hold back  
All these worries that I've had  
'Bout you
