

Dancing Barefoot

Clan of Xymox

She is benediction - she is addicted to thee
She is the root connection - she is connecting with thee
She is sublimation - she is the essence of thee
She is concentrating on he, chosen she
I'm dancing barefoot, heading for a spin
Some strange music draws me in
Makes me come on like some heroine
She is recreation - she's intoxicated by thee
She has the slow sensation that he is levitating with she
Here I go, well I don't know why
I float so ceaselessly
Could it be he's taken over me
I'm dancing barefoot, in mid-air I spin
Some strange music draws me in
Makes me come on like some heroine
I'm dancing barefoot, heading for a spin
Some strange music draws me in
Makes me come on like some heroine
