

## Dream On

Clan of Xymox

You want some action  
Satisfaction  
Your days in a haze  
You are taking your time  
Seeing the world as radiant  
Where micacles shine

I said, dream on, dream on, dream on

I have been a king  
I have been s slave  
Stayed in bed  
Lived untamed  
Played the fool  
Changed lovers  
Out of sight out of mind  
You will change, you will change she cried

I said, dream on, dream on, dream on, baby....
