

## Dreamhouse

Clan of Xymox

I wish the stars came down  
I wish I could fly  
Up there is a sea  
Where the moon shines  
Up there, there is a sea  
Where the moon shines  
Where the moon shines  
Let's swim  
I wish for the moon to shine  
I wish I could fly  
Seize possibilities  
Seize the night
