so this circle cannot fail  
it turns in endless ways  
it turns in endless days  
so this window offers views  
of ? loves and erars  
of endless moves and ?  
we turn and rest and then scarlet hours rises and alls  
i wont stop wondering  
i won't ever stop wondering  
they will kill flowers  
they kill chores  
they win ?  
they win awards  
it makes no sense to me  
i walk the flowers  
i win the nothings  
so the circle cannot fail  
it turns in endless ways  
it turns in endless days  
the scarlett hour rises and falls  
i won't stop wondering  
i will never stop wondering  
scarlett hour rises and falls  
i won't stop wondering  
i will never stop wondering  
we turn in equal ways  
so it's living in ?  
we turn in equal ways  
so it's living ?
