## **Evelyn**

**Clan of Xymox** 

We walked until the sunlight died How could I breathe without your love Like others we all fight Agains the cruel cruel time A hundred times a year The wind blows A hundred times a year The wind blows through my skin Through my skin All the choices and many voices Keep on telling me It's you, Evelyn It's you, Evelyn We talked about wrong or right I couldn't agree I had to shout Sometimes we all must fight Against the cruel heart of doubt A hundred times a year We find out A hundred times a year We find out By experience All the choices and many voices Keep on telling me It's you, Evelyn It's you, Evelyn You keep the rain from falling You keep the rain from falling Down on me Evelyn Everything will die for you Everyone will cry for you Evelyn, Evelyn, Evelyn You keep the rain from falling Down on me Evelyn
