

Hail Mary

Clan of Xymox

Do you think I'm made of steel?
Some scars never heal
I lick my wounds in the aftermath
What did all cause this wrath?

Maybe if you'd learn to trust
Is that all you can say?
You want me to confess
Show some adulthood
Kill me and all the rest

Hail Mary , Hail Mary don't break my heart
Hail Mary , Hail Mary don't you tear apart
Hail Mary , Hail Mary don't you know it's love?
Hail Mary , Hail Mary don't you know it's tough?

All the wrongs I ever done
Up above I shall never come
Flesh and blood is all I am
This is all you can see
Maybe I learn to be chaste
Is it me you can save?
Save me from harm
Guide me with grace
Let me not go astray

Hail Mary , Hail Mary don't break my heart
Hail Mary , Hail Mary don't you tear apart
Hail Mary , Hail Mary don't you play it rough
Hail Mary , Hail Mary don't you know it's love?
It's love, it's love
Hail Mary , Hail Mary don't break my heart
Hail Mary , Hail Mary don't you tear apart
Hail Mary , Hail Mary don't you know it's love?
