

Into Extremes

Clan of Xymox

Living to the full is all I need in this town
Sail this ship of fools is all I do not to drown
You wait until I bleed when all I seek is unsound
So , so does it mean I go into extremes
Go into extremes , go into extremes ?

See how you feel when you fall in a sole manic stream
All what is left in my wake is the lust , love and hate
I crave for the one , and it's all , and it's all I ever done
Dead in a worn out cube I had enough of these skeletons
So , so does it mean , I go into extremes
go into extremes , go into extremes ?
So come on now , so come on now
Your lipstick screams , that's what it means
That's what it means, that's what it means
Breaking all the rules is all I have on my mind
Across the barricades and no one goes like I do
So , so does it mean , So , so does it mean
I go into extremes , go into extremes ?
