

Muscoviet Musquito

Clan of Xymox

I must write a letter to you
I must make myself clear
It is spot on time, right on cue
I am a clam, somebody said to me
It's obscene, there must be a motive behind
It's obscure. there must be someone behind
A Muscovite Musquito, A Muscovite Musquito
A Muscovite Musquito, A Muscovite Musquito
A vivid image anyway
Someone said, you're a clam,
Consider this !
Mmm, listen oh, listen to me, you're far
A thousand miles away from here
I am here, i am here in this awfull country
Trampled down by maggots people
A dispute will never end
A retrospection ,it sounds obscene
A disconnection,
A final balance sheet for Muscovite Musquito
For Muscovite Musquito
For Muscovite Mosquito, it sound obscene
It sound so obscure, for Muscovite Musquito
My final balance sheet is gone..... for
Muscovite Musquito, Muscovite Musquito
It's spot on time, right on cue
You missed the chance, somebody actually said
It's obscene, there must be motives behind
It's obscure, there must be someone behind
