

No Human Can Drown

Clan of Xymox

Let me be alone
Let me dream in silence and enjoy
In the cold, cold wonderful night
Let me believe
Make me glad
Let's dance on the water
Let's dance on the water
Let me believe
No human can drown
If you don't expect too much
If you don't expect too much
Let me take you for a walk
Let me see, let me smile
Tell me no human can drown
If you don't expect too much
And let me take you for a walk
I don't expect too much
Just wanna hold you
Just wanna touch you
Just wanna hold you
Just wanna touch you
And I feel your flesh
Take me to your universe
Hold me, hold me
