

# Phoenix Of My Heart

Clan of Xymox

What goes on in your mind  
When you said late at night  
I'll shake it all up  
I'll shake it all off  
I'll shake it all up  
I'll shake it all off

You know I've got this feeling  
You save this sense of freedom  
There is a slow sensation in hesitating  
In your arms, I'm losing hold  
Phoenix of my heart  
Here she comes  
Here she goes  
Phoenix of my heart  
She's the phoenix of my heart  
Here she comes  
Here she goes  
Phoenix of my heart  
She comes in like a river  
And leaves like the wind  
She's always in a hurry

She moves like a hurricane  
Once again

She's the phoenix of my heart  
She's the phoenix of my heart  
She's the phoenix of my heart  
Here she comes  
Here she goes  
Here she comes  
Here she goes

Listen

Wild thing you make my heart sing  
Wild thing you make my heart sing
