

# Endurance Of Supremacist Ritual

Clandestine Blaze

Endless return to path chosen long ago  
Rituals unseen and unheard  
From shadows of tragic loss to triumph into highest form  
Endurance of Supremacist Ritual  
Shadow consuming the deception of Lifeforce  
Draining all once taught as necessity  
Leaving only Spiritual Skeletal form  
To annihilate ego of man  
To die in mind of oneself  
To leave only possessed spirit.  
To rise from the grave of meaninglessness  
To Deliver Supremacist Might  
Over swarming insects  
Endurance of Supremacist Ritual  
Shadow consuming the deception of Lifeforce.
