

In Search of a Heart

Clannad

This heart of mine won't keep
Or believe in the secret, like the moss on a stone
This heart of mine won't beat
It just carries itself away
These parting times won't break me
Deserted times stop running

Ar do chul
This form of love won't share
Or give in to a feeling with nothing to gain
No compromise in time
You're so near and yet so far
These parting times won't break me
Deserted times stop running

Ar do chul
And when i turn in silence found
What i say won't let you down
And when your call, outside my door
Ends the searching...
