

Many Roads

Clannad

When many roads lead to nowhere
And all the places look the same
Everywhere
You just call me
You just call 'cause I'll be there
So many words said forever
And all the tales of yesterday
Fade away
(Fade away)
You just call me
You just call 'cause I'll be there
('Cause I'll be there)
You just call 'cause I'll be there
When many roads lead to nowhere
And all the faces look the same
Everywhere
You just call me
You just call 'cause I'll be there
