

Morning Dew

Clannad

Take me for a walk in the morning dew, honey
Take me for a walk in the morning dew today
You can't go walking in the morning dew, my love
You can't go walking in the morning dew today

Oh listen, I hear some moaning on
I know I hear a man moaning on
You didn't hear a man moan at all
You didn't hear a man moan at all

But I know I hear my baby crying, "Mama"
I know I hear my daughter crying, "Mama"
You'll never hear your baby cry again
You'll never hear your baby cry again

You'll never hear your baby cry again
You'll never hear your baby cry again

Take me for a walk in the morning dew, honey
Take me for a walk in the morning dew today
You can't go walking in the morning dew, my love
You can't go walking in the morning dew today
You can't go walking in the morning dew today
