Clannad

There is a place on the east  
Mysterious ring, a Magical Ring of Stones  
The druids lived here once they said,  
Forgotten is the race that no-one knows

Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo

The circled tomb of a different age  
Secret lines carved on ancient stones  
Heroic Kings laid down to rest  
Forgotten is the race that no-one knows.

Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo

Wait for the sun on a winter's day  
And a beam of light shines across the floor  
Mysterious ring, a Magical Ring  
But forgotten is the race that no-one knows

Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo  
Rum de rum 'rud a derimo
