

# All Your Love

Eric Clapton

All the love I miss loving, all the kiss I miss kissing.  
All the love I miss loving, all the kiss I miss kissing.  
Before I met you baby, never knew what I was missing.

All your love, pretty baby, that I got in store for you.  
All your love, pretty baby, that I got in store for you.  
I love you pretty baby, well I say you love me too.

All your loving, pretty baby, all your loving, pretty baby.  
All your loving, pretty baby, all your loving, pretty baby.  
Since I first met you baby, I never knew what I was missing.

Hey, hey baby, hey, hey baby.  
Yeah, yeah, yeah, yeah, yeah, baby, oh, oh, baby.  
Since I first met you baby, never knew what I was missing.
