

# Holy Mother

Eric Clapton

1. Holy Mother, where are you  
Tonight I feel broken in two  
I've seen the stars fall from the sky  
Holy Mother, can't keep from crying  
  
R: Oh I need your help this time  
To get me through this lonely night  
Tell me please which way to turn  
By myself again
2. Holy Mother hear my prayer  
Somehow I know you're still there  
Send me please some peace of mind  
Take away this pain  
  
Hmi G {I'm not really sure about}  
\*: I can't wait, I can't wait {this part... but it sounds}  
C D {pretty close.}  
I can't wait any longer  
I can't wait, I can't wait  
I can't wait for you.
3. Holy Mother, hear my cry  
I've cursed your name a thousand times  
I've felt the anger running through my soul  
All I need is a hand to hold  
  
R: Oh I feel the end is coming  
No longer my legs will run  
You know how to wrap me  
In your arms tonight
4. When my hands can no longer play  
My voice is still a fade away  
Holy Mother, then I'll be  
lying in, safe within your arms.
