

Let It Grow

Eric Clapton

1. Standing at the crossroads
Trying to read the signs
To tell me which way I should
Go to find the answer
And all the time I know
Plant your love and let it grow

R: Let it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it grow

2. Looking for a reason
To check out on my mind
Trying hard to find a friend
That I can count on
There's nothing left to show
Plant our love and let it grow

R: Let it grow...

3. Time is getting shorter
There's much for me to do
Only ask'n you will get
what you are needin'
The rest is up to you
Plant your love and let it grow

R: Let it grow...
